

## **MVHS WASC GOALS**

### **2013 -2019**

- 1. Create and maintain communication systems between school employees and between school and larger community related to student achievement.*
- 2. Create and align assessments in department teams. Use results to modify curriculum, instruction and assessment.*
- 3. Use data to create and direct and monitor targeted interventions.*
- 4. Use data to make decisions about course offerings.*
- 5. Increase enrollment of all students in AP, Honors & STEM courses.*
- 6. Create mission and vision statements that reflect current practice and include School-wide Learning Objectives.*
