

**MVLA
2019-20
COURSE INFORMATION SHEET**

Course Title: AP Statistics Course # AA6010

School: MVHS

UC/CSU requirement: Yes/Yes

**Textbook and/or other learning resources: Statistics in Action, 2004, by Watkins, Schaeffer, Cobb
Published by Key Curriculum**

Student Learning Outcomes:

This course meets the needs of students who wish to complete studies in a secondary school equivalent to a one-semester, introductory, non-calculus based college course in Statistics. Major areas of study cover exploring data, planning a study, and anticipating patterns in advance and statistical inference. This course prepares students to take the Advanced Placement Statistics exam.

Assessment and Grading ([BP 5121](#) / [AR 5121](#)): To ensure that every student has an equal opportunity to demonstrate their learning, the course instructors implement aligned grading practices and common assessments with the same frequency.

1. Grading categories and their percentage weights:

- 10% Quizzes
- 10% Homework
- 5% Classwork (Work Habits)
- 50% Tests
- 25% Final Exam

2. Weights of assignments/assessments used to determine proficiency within a grading category:

Quizzes: There will be 1 or 2 quizzes per chapter

Homework: Will be assigned every night

Classwork: 2 or 3 times a month there will be in class work

Tests: There will be a test at the end of each chapter . 7-8 for the first semester, 2-3 for the second semester

3. Grading scales:

A- 90 to 92.49%	A 92.5 to 100%	
B- 80 to 82.49%	B 82.5 to 87.49%	B+ 87.5 to 89.99%
C- 70 to 72.49%	C 72.5 to 77.49%	C+ 77.5 to 79.99%
D- 60 to 62.49%	D 62.5 to 67.49%	D+ 67.5 to 69.99%
F 50 to 59.99%		

4. Homework/outside of class practices ([AR 6154](#)):

Students should expect to spend 30-45 minutes every night on homework

5. Excused absence make up practices ([Education Code 48205\(b\)](#)):

There will be alternate "makeup" versions of the tests so that students who miss a test and have an excused absence will be able to make up the test. Students must make up a test before it is passed back to the class.

After that time, the missed test score will be replaced by the score received on the final exam. If the student has not missed a test, the final exam will replace one of the previous tests if it improves the grade.

Students missing class for all or part of a day to participate in expected excused absences such as school activities, family vacations or doctor's appointments must let the teacher know in advance, and must make arrangements to make up missed assessments prior to the absence

6. Academic integrity violation practices [MVHS Academic Integrity Policy](#)

7. Late work practices:

Complete assignments will receive full credit when checked in class. Late complete assignments will be accepted until the next test and will receive 80% credit. Incomplete assignments will receive partial credit.

8. Extra credit practices:

There is no extra credit
