There are no course-specific guidelines for academic integrity violation. Please see the MVHS Academic Integrity Policy: Honesty, trust and integrity are vital components of the education process. The Governing Board believes that academic honesty and personal integrity are fundamental components of a student's education and character development. The Board expects that students will not cheat, lie, plagiarize or commit other acts of academic dishonesty. There are three categories for violations of academic integrity based on the severity of the offense (Categories A, B, and C). Examples of

academic integrity violations include, but are not limited to, copying homework, allowing someone else to copy your work, plagiarism (taking or passing off another's ideas as one's own, including using Internet sources without documentation), copying from another's exam, improperly obtaining and/or using tests, and using unauthorized notes/materials. Check with your teachers if you are unsure of their expectations.

7. Late work practices:

Our department believes that all work must be of an excellent quality which means that constant improvement is a necessity. Students are expected to practice until they master their musical part. Late or missing assignments will be marked as 'Incomplete' until requirements have been satisfied.

8. Revision practices:

See number seven above. Specifically, students will have the opportunity to retake practice quizzes before the deadline of: Monday before each concert.
