

Mountain View High School PTSA Welcomes You to the 2020-2021 School Year

The Parent Teacher Student Association (PTSA) provides volunteers and financial support for teacher and student programs on campus. Mountain View High PTSA advocates for our students and for our school community. PTSA is an open, community-building organization that provides a forum in which parents, teachers and students may express their voices.

PTSA Membership is \$20 per individual member and \$40 for family membership. We look forward to your participation this year.

In addition to membership, we are asking for a direct appeal donation of \$150 per student for the 2020-2021 school year. Our goal is to raise \$65,000 to support programs that benefit our students during this school year. If \$150 is not possible, we appreciate any amount that works for your budget. If you are able, please consider sponsoring an additional student. See the MVHS PTSA website for a draft of the budget. We don't know what this coming school year looks like, but we know PTSA funds will be even more crucial in providing the best experiences and opportunities for our students.
