Where do I get a Canvas Pairing Code?

Parents and Guardians need to get the Pairing Code from their students' account. Your student needs to take the following steps in his/her Canvas account.

(1) Student clicks on Account and then selects (2) SETTINGS

On the right side of the screen, find the (3) Pair with Observer button and click it

The pairing code will then appear (4) - parent/guardian needs to enter it (above screenshot) - item #5
